

Achieved 100 Sales locations for motorcycle finance in Cambodia

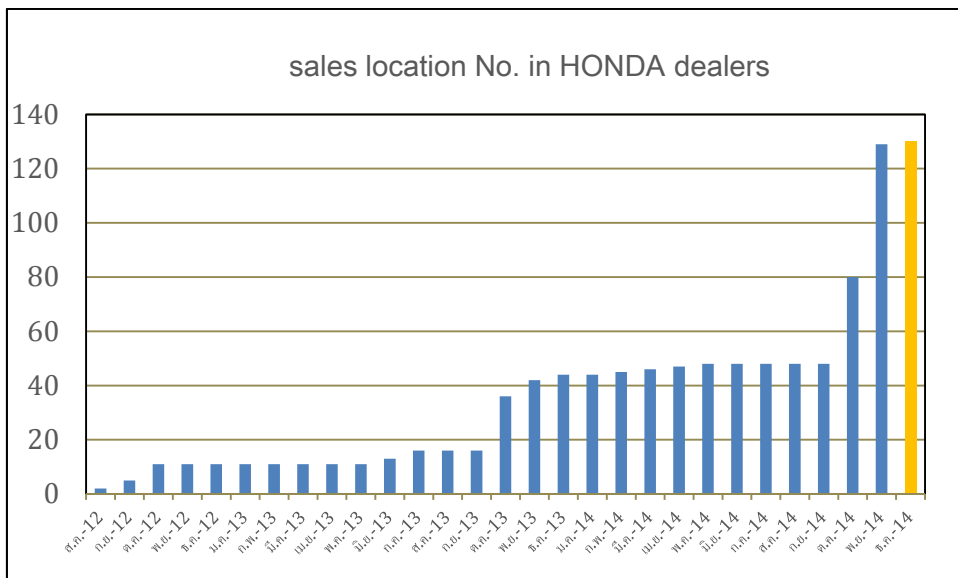

We would like to announce that GL Finance PLC (GLF), our group company which operates the motorcycle finance business in Cambodia, has established 100th sales locations in HONDA dealers on 14 November 2014.

As we had announced earlier, GLF has been expanding their business at a dash during the current year in order to take full advantage of their superiority, where they are the first motorcycle finance company in Cambodia and can provide finance service to HONDA motorcycle dealer exclusively. After cautious expansion and enough construction of organization, we are planning to establish 82 sales locations newly from October and December in this year.

Yesterday, on 13 November 2014, GLF established 8 sales locations at a time, and finally achieved 100 sales locations in Cambodia.

GLF will establish several sales locations today as well.

Will accelerate the speed of establishment more and expand the business area.

Thank you.
