RE: Clarification on news concerning the Repurchase of shares(Treasury Stock)

With regards to the news on e-finance and Siam Rath Newspaper dated 14 March, 2017 which had stated that Mr. Tatsuya Konoshita had announced during the press conference this morning that the Company is considering doing the repurchase the Company's shares (Treasury Stock), by this letter, the Company would like to clarify on such information for the correct understanding as there might be some misunderstanding from the communication during the interview of one of the Company's management.

During the answering of questions from a participant who asked whether the Company is having a plan to repurchase the Company's shares(Treasury Stock) in order to earn back the investors' confidence, Mr. Tatsuya Konoshita answered that the repurchase of shares is one of the choices that we can do as the Company has significant cash on hand and it is under consideration. This means that there are other choices that the Company may choose to do and is considering for the best interest of the Company.

However, this matter has not yet been proposed to the Board of Directors' consideration.

Please be informed accordingly.

Yours sincerely,

(Mr. Tatsuya Konoshita)

Director
